DESCRIPTION: This shows a group of people standing and sitting in front of a school building. Two girls are sitting on a horse at the far left. There are an additional 35 people in the photo. Because of the ages it is probably the whole student body and the teachers. Those sitting in the front row are very young and then towards the back the ages increase rapidly. Four of them may be teachers. The school house has an iron decoration on the roof. The siding is horizontal. Four windows are in view.
